Global Learning

Inspired by the example of global citizenship of the Brothers of Christian Instruction, the Office of Global Learning provides opportunities for students to develop into leaders in service with an international perspective. Global Learning promotes learning which transforms the student, the university and the communities which they serve.

Through the Office of Global Learning, students have the opportunity to participate in a number of semester long, short-term, faculty-led, and international internship programs offered throughout the year. Walsh University offers semester experiences to Rome and Gaming, Austria (collaborating with the Franciscan University of Steubenville), and Carlow, Ireland (collaborating with Carlow College, St. Patrick). In addition, Walsh provides educational experiences to Europe, Uganda, Uruguay, Mexico, Tanzania, Haiti, and beyond.

Global Learning programs offer students unique academic experiences that broaden their intellectual awareness, cultural sensitivity, professional preparedness, and exposure to the world. This is why Walsh University students are encouraged to participate in at least one Global Learning experience before they graduate.

Students may also seek study abroad opportunities and international internships through a number of providers and partners including UNIVA (Universidad del Valle de Atemajac) a Catholic University in Guadalajara, Mexico, Carlow College in Carlow, Ireland, or CAPA –The Global Education Network to offer students a number of international internship opportunities in locations such as Buenos Aires, Dublin, London, Shanghai, and Barcelona. Walsh also is a member of the Cooperative Center for Study Abroad (CCSA) a consortia of universities and colleges. Students interested in exploring such opportunities should contact the Office of Global Learning.

Walsh University is also proud of its status as a Peace Corps Preparatory Institution. The Peace Corps Prep program will prepare students for international development fieldwork and potential Peace Corps service. To accomplish this, students build four core competencies through interrelated coursework, hands-on experience, and professional development support.
