

THE GARY AND LINDA BYERS SCHOOL OF NURSING

The Gary and Linda Byers School of Nursing

Dr. Judy Kreye, Dean

Dr. Angela Gager, Interim Chair, Graduate Nursing

Program Philosophy

The Nursing Graduate Programs at Walsh University prepare nurses to assume leadership positions in a variety of advanced roles. We believe that it is the responsibility of the faculty to provide an environment that stimulates the learner to think critically, communicate effectively and act compassionately. We hold to the ideal of providing quality care to clients and fulfilling our responsibility as contributing members of the profession and society.

Program Goals

To provide excellence in nursing education grounded in the human experience. The Gary and Linda Byers School of Nursing prepares the graduate to practice nursing within the framework of Judeo-Christian values promoting health in diverse communities.
