

ACADEMIC POLICIES AND PROCEDURES

It is the responsibility of every Walsh University student to be familiar with and complete the requirements for the degree being sought. Each student is assigned a faculty advisor who assists each semester with the core and the major/minor requirements necessary for graduation. Additionally, first year students have a first year academic advisor to assist with schedule development and the transition to college life. However, it is the student who must ensure that the core, major/minor, degree and overall graduation requirements have been completed in the manner outlined in this catalog.

The University reserves the right to change its academic policies and procedures. Changes will be publicized to minimize inconvenience to faculty, staff, and students.

Walsh University reserves the right to modify or discontinue any academic offerings or degree programs when demand falls below reasonable levels. In such cases, the University will make reasonable efforts to allow current students to complete the program or will assist in their transfer to other acceptable programs.

One of the most important academic tools is this Catalog. It is the responsibility of each student to become familiar with the Catalog to ensure fulfillment of all requirements for graduation.
