

# DEGREE COMPLETION (DC) CAMPUS

## Adult Accelerated Degree Programs

Students may earn up to 45 credit hours for work or life experience and through test outs. Students may move in and out of sessions as needed due to outside demands. Advisors work with students to determine their best options for degree completion. Excellence in education and the integrity of the program are maintained and strengthened through stringent academic monitoring and continuous communication with both faculty and students.

### Admission Requirements

To be accepted into Degree Completion, students must:

- Be **21** years old.
- Have **12** hours of prior college credit. (Acceptable transfer work is credit toward a degree for courses taken at a college or university other than Walsh that is approved by the registrar, appropriate division chair, or program director. Walsh University accepts transfer credits from regionally accredited institutions with a grade of "C-" or better)
- If you are an adult learner (21 years and older) with less than 12 credit hours of acceptable transfer work you must:
  - Have graduated from an accredited high school or have an overall score of 145 on the GED
  - Earned 12 credit hours with a minimum cumulative GPA of 2.00
  - (on a 4.00 scale)

### Admission Process

Admission to Degree Completion requires:

- Completed online application
- A current resume
- Official transcript from each college or university previously attended
- Official transcript from high school
- If applicable, notarized copy of DD-214 or DD-295 forms (military) and/or official copy of CLEP, PEP, DANTES, USAFI standardized test scores, and/or company training courses if they have been evaluated by the American Council of Education
- Assessment and/or placement tests may be required.

## Policies

### GPA Calculation For Students Transferring to Walsh University From Another Institution

Courses transferred from another accredited institution are not included in the student's cumulative grade point index. Only the credit hours are accepted and recorded on the academic record for each transferred course as "TR."

Business majors, transferring in equivalent degree required business courses, will follow the GPA calculation requirements for purposes of advancement and graduation (see degree requirements) (<http://catalog.walsh.edu/undergraduate/deville-school-business/bachelors-degree-major-requirements/>).

### Drop Policy

Registration for Degree Completion courses creates a contract for payment of tuition, fees and charges. If the student chooses to terminate this contract with Walsh University, he/she must officially (in writing) drop his/her class(es) during the first 5 business days of each session in which the course occurs, in order to receive 100% tuition refund.

Nonattendance to class or notification to an instructor does not constitute an official withdrawal.

The student should understand that dropping classes could negatively affect his/her financial aid award package.

### Tuition Payment For All Students

Owed account balance to Walsh University must be under \$1000.00 before a student is permitted to register for future classes in subsequent semesters. Any balance over 90 days old will be assessed a 1% per month interest fee.

### For Students Receiving Company Reimbursement

Students must make full payment to Walsh University no later than 30 business days after grades are issued, and must provide Walsh University with a current copy of Walsh University's Employer Reimbursement form.

Any balance over 30 days old will be assessed a 1% per month interest fee, and any delinquent balance may result in the students account being removed from the Employer Reimbursement program until it is brought up to date.

### Overdue Balances

Balances not paid after 150 days from the start date of the session in which the course occurs are subject to collection action. This action includes collection and default charges in addition to the interest fees. If an account balance is forwarded to a third party collection agency, the student will be responsible for that account balance (including interest) and collection costs of 33 1/3%. Payment in full (including interest and collection costs) must be made before the student is able to register for any additional classes. Tuition for all future courses must be paid in advance.

### Financial Aid

Enrolled students are eligible to apply for federal and state financial assistance. This assistance includes grant programs as well as deferred student loans. Information and applications can be obtained by contacting the Walsh University Financial Aid Office at 330-490-7147.

## Second Degree

### *For previous Walsh University Graduates*

Walsh University graduates holding a baccalaureate degree may pursue an additional major baccalaureate degree through Degree Completion. Candidates for an additional degree must satisfactorily complete all of the current requirements for the additional degree and a minimum of 27 additional semester credit hours at Walsh University. Credit hours from the original degree will not count toward the 27 additional hours required for the new degree. Transfer credits, portfolio credits, CLEP, DANTES or special tests will not apply to the 27 additional required hours.

Students returning for an additional degree are required to apply for graduation and pay appropriate graduation fees. The second degree will be posted separate of the original degree. Walsh will not ask for the first diploma to be returned. A new diploma reflecting the additional degree will be issued to the student, consistent with the transcript.
