Financial Policies

Terms of Payment

Walsh University requires the following payment terms:

- a. The payment due date is the first business day following the initial add/drop date of the semester. Please consult the academic calendar for the specific add/drop date.
- b. Students electing the Walsh University Payment Plan, offered through NELNET, must be enrolled in the program no later than the first day of each semester. An annual enrollment fee of \$40 per semester is charged to participate in the program. (Please contact the Student Service Center for information regarding the payment plan.), or
- c. Students participating in the Employer Reimbursement Program must be enrolled in the program no later than the first day of each semester. For details see below.

Student account balances and details are available online within the secure area of the Cavalier Center (Student Account Information). Students are responsible for timely payments and those students that do not follow the required payment terms will be charged late fees on any outstanding balance. Students enrolled in the tuition payment plan or the Employer Reimbursement Program are exempt from interest charges if they adhere to the published payment schedule. Please contact the Student Service Center at 330-490-7367 with questions or if you have difficulty accessing the Cavalier Center.

Tuition Payment Plan / Employee Reimbursement Program

Students enrolled in the Tuition Payment Plan or the Employer Reimbursement Program are exempt from interest charges if they adhere to the published payment schedule. Walsh University reserves the right to deny future participation in either program if there is evidence of abuse or late payments. Students must re-enroll in the program each year to maintain eligibility. Enrollment forms are available at the Student Service Center.

Withdrawal Policy

Registration for classes creates a contract for payment of tuition, fees, and charges.

A student choosing to terminate this contract with Walsh University must officially withdraw before noon on the 5th business day of any 8 week session or are obligated to pay all session charges in full. Withdrawal must be made in writing through the Student Service Center and must be signed by the student. Nonattendance to class or notification to a professor does not constitute an official withdrawal.

Withdrawal from a class or from the University on or before the fifth business day of a session will cancel all financial obligations to the University for that session.

Sessions: Fall I and Fall II, Spring I and Spring II, Summer I and Summer II

*** Due to the block tuition billing method, undergraduate students should contact the Student Service Center to determine how financial aid may be effected by withdrawing from a class, session or the university. Based on how the block tuition is divided between the two semester sessions will impact the amount of the tuition refund. No refunds will be issued for completed classes.*

If a student withdraws from a class or from the University beyond the withdrawal deadline date and therefore does not receive an adjustment to tuition, the University may still be required to return a portion of the federal and/or state financial aid to the appropriate programs. Any balance created on the student's account as a result of this transaction is the responsibility of the student. Students considering a withdrawal

are encouraged to first consult with a financial aid advisor located in the Student Service Center.

If a student withdraws or reduces the number of credit hours after the refund period for reasons beyond his or her control, a detailed letter may be submitted to the Fees and Charges Appeals Committee explaining the extenuating circumstances. Poor academic performance will not be considered as grounds for appeal.

The University will not grant a refund of charges for any withdrawal or reduction in hours beyond the established deadline without an approval from the Fees and Charges Appeals Committee.

Detailed appeal letters documenting the extenuating circumstances can be addressed to:

Walsh University,
Fees and Charges Appeals Committee
Finance Department
Attn.: Sarah Sowers
2020 East Maple Street
North Canton, Ohio 44720

Suspension or Expulsion

The University will follow the Withdrawal Policy stated above in the event suspension or expulsion occurs. Students suspended or expelled after the refund periods will be obligated to pay all charges in full.

Unpaid Balances

Students with outstanding balances may not register for classes, or receive a diploma. This may include students enrolled in the Payment Plan who are delinquent with their payments or who have made payments in an amount that will be insufficient to reconcile the account at the end of the program. In these circumstances, the student will be sent written notice of this situation.

Balances that remain outstanding for over 150 days will be turned over to a collection agency and collection costs of up to 40% will be added to the outstanding account balance.

Employer Reimbursement Program

A student whose employer offers an educational reimbursement benefit may elect to participate in the Walsh University Employer Reimbursement Program.

Students wishing to enroll in Walsh University's Employer Reimbursement Program must complete the enrollment form available each financial aid year they wish to participate.

The form must be turned in to the Student Service Center to be enrolled in this program. The form is valid for one academic/financial aid year and should be submitted at the time of initial registration. Students shall be subject to interest charges until the application is completed and submitted to the Student Service Center.

Participants in the program receive the following benefits:

- Exemption from interest charges for that semester;
- Eligibility to register for classes with an outstanding balance exceeding \$1,000;
- Permission to delay final payment until 30 days after the last day of that semester.

The student is responsible for notifying the University of any change in eligibility or employment status. If a student fails to make final payment within thirty (30) days following the completion of the academic semester, the University may elect to remove the student from the program, assess the interest charges, and potentially begin the collection procedure stated above.

As a courtesy, Walsh University will provide an account statement/registration schedule to the student to present to his/her employer. These statements will be sent one time at the end of each semester. Due to the popularity of this program, Walsh is unable to accommodate requests for "customized" statements.

Employer Reimbursement and Tuition Discounts

The Alumni and Post Baccalaureate Discounts are intended to financially assist Walsh Graduates who choose to continue their education at Walsh. As a result, these discounts are not structured to extend to the student's employer. If, however, the student is able to document that his/her employer does not reimburse based on the pre-discount rate initially assessed, Walsh University may reconsider its policy on a case-by-case basis.

Checks Returned

Walsh assesses a \$35 service charge to those individuals whose checks, made payable to Walsh University, are returned by the bank because of insufficient funds.

Financial Aid

Walsh University offers a competitively priced liberal arts education. Nevertheless, virtually all of the University's full-time students receive some form of financial assistance (Scholarships, Grants, Loans, Work-Study).

Most types of financial aid require that applicants complete the Free Application for Federal Student Aid (FAFSA), which is available online at www.studentaid.gov (<http://catalog.walsh.edu/undergraduate/estimated-expenses/www.studentaid.gov>) (<http://catalog.walsh.edu/undergraduate/estimated-expenses/www.studentaid.gov>). Financial assistance is determined on the basis of demonstrated financial need and academic achievement. All students must maintain satisfactory academic progress as determined by Walsh University.

The Office of Financial Aid provides assistance in four basic forms: scholarships, grants, loans, and employment.

This grant is awarded to recognize the investment of time and expenses associated with home schooling and cannot be used in combination with the Catholic High School Grant. Programs sponsored by public school systems do not qualify.

Grants (Federal)

Before receiving any federal assistance, a student must file a FAFSA and meet the following general eligibility requirements, as well as those requirements which are unique to each program.

In order to comply with the general requirements, a student must:

- Be enrolled as a regular student in an eligible program studying for a degree or certificate;
- Be a citizen or permanent resident of the United States;
- Must not be in default on a previous federal student loan;
- Maintain satisfactory academic progress in his/her course of study according to the institution's established standards of satisfactory progress. See Walsh University's Satisfactory Academic Progress Policy.

FEDERAL PELL GRANT

The Federal Pell Grant is designed to assist needy students to continue their education beyond high school. The amount of the grant, which need not be repaid, is determined by the student's need and the cost of attendance at the school. Application is made each year by completing the FAFSA. Graduate students and students who have previously earned a bachelor's degree are not eligible for this program.

Students must make satisfactory academic progress as determined by Walsh University in order to receive the grant. Grant amounts are reduced proportionately for students enrolled less than full time.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

This program is available to full-time undergraduate students with substantial financial need. Preference is given to those students receiving a Pell Grant. Students must maintain satisfactory academic progress as determined by Walsh University. Graduate students and students who have previously earned a bachelor's degree are not eligible for this program. Application is made each year by completing the FAFSA. Funding is limited, and may be awarded on a first-come basis from when the FAFSA form was completed.

TEACH GRANT

This federal grant is available to education majors who will teach in a high-need field. This grant has the potential of turning into a loan if certain conditions are not met. Because of this, please log onto [www.studentloans.gov](https://studentloans.gov) (<https://studentloans.gov/>) for more information.

Grants (State)

STATE NEED-BASED GRANT

The Ohio College Opportunity Grant is a need-based grant determined by the state of Ohio at the time the FAFSA is filed. It is available to Ohio residents attending Ohio schools who meet certain eligibility criteria. These can change on an annual basis. More information can be found at: <https://higher.ed.ohio.gov/educators/financial-aid/sgs/ocog> (<https://higher.ed.ohio.gov/educators/financial-aid/sgs/ocog/>).

Loans (Federal)

FEDERAL DIRECT STAFFORD LOAN (SUBSIDIZED AND UNSUBSIDIZED)

The Federal Direct Stafford Loan, also provides long-term loans to eligible students in postsecondary education. Students must first file a FAFSA to be considered for a Direct Stafford Loan. Loans are available either on a subsidized or unsubsidized basis and are borrowed directly from the federal government. The subsidized loan is based on financial need with the federal government paying interest while the student is in school. The unsubsidized loan is not based on need, and interest accrues on the loan while the student is in school. Interest payments can be deferred until six months after graduation when repayment generally begins, or can be made to the lender while the student is in school. The Stafford Loan has a fixed interest rate which is set annually each July 1. There is a 10-year maximum repayment period with minimum payments starting at \$50. The maximum yearly amount available to eligible dependent students is \$5,500 for freshmen, \$6,500 for sophomores, and \$7,500 for juniors and seniors, or an aggregate total of \$31,000 for undergraduate study. Eligible independent students may borrow up to an additional \$4,000 yearly for freshmen or sophomores and \$5,000 yearly for juniors and seniors. The aggregate total for independent students is \$57,500 for undergraduate study. Students must enroll at least half-time to be eligible for federal student loans.

FEDERAL PARENT LOAN TO UNDERGRADUATE STUDENTS (PLUS)

A PLUS Loan is a loan parents of dependent students borrow for educational expenses. Electronic applications are available online at [www.studentloans.gov](https://studentloans.gov) (<https://studentloans.gov/>).

Loans (State)

NURSING EDUCATION ASSISTANCE LOAN PROGRAM (NEALP)

Annual loan limit of \$3,000 may be renewed annually up to four years. Annual loan limits vary each year. A FAFSA application is required in addition to an NEALP application, available at the Walsh University School of Nursing office. Twenty percent of the loan is forgivable with each year of service in the nursing profession, with a maximum forgiveness of 100% after five years of service.

Work Programs (Federal)

The Federal Work-Study Program provides jobs for students who have substantial financial need and must earn a portion of their educational expenses. Students may work on a part-time basis on campus.

Students must be enrolled full-time and demonstrate financial need in order to qualify for the program. Preference is given to those students living on campus. Application is made each year by completing the FAFSA.

Working hours vary from 5 to 15 hours a week and as a general rule should not exceed 20 hours per week while classes are in session. Although wages vary depending on job description, the usual rate of pay is minimum wage.

Work Study Programs (Institutional)

CAMPUS SERVICE PROGRAM

Under this program, full-time students work 5 to 15 hours a week in on-campus jobs. They are paid the current minimum wage.

TUITION REMISSION AND TUITION EXCHANGE

Students receiving Tuition Remission or Tuition Exchange scholarships can potentially receive gift aid from federal, state and other external sources. In some cases, this assistance will offset the tuition exchange award or tuition remission benefit. Students receiving tuition remission or tuition exchange benefits are usually not eligible for other **Walsh University scholarships or grants**.

In any case, the total of any student's tuition remission benefits, tuition exchange award, outside scholarships and governmental grants may not exceed the student's direct cost (**tuition, fees, room and board for resident students**) of attending Walsh University.

Self-help aid that is awarded to the student, such as Loans and Work Study, may be applied to any applicable fees and/or other educationally-related expenses and should not affect the amount of a tuition benefit.

FULL-TUITION BENEFIT

The total of any student's scholarships and grants may not exceed the student's direct cost of (tuition and fees, and room/board for resident students) at Walsh University. When a student's scholarships and grants from all sources exceed the student's direct cost of attending Walsh University, Walsh University funds (operating budget supported scholarships and/or grants) will be decreased by the excess.

Credit Balances and Refunds

Student financial aid is designed to help pay the charges listed on a student's account. If there is money left over once these charges have been paid, a credit balance refund is issued to the student beginning approximately two weeks into the start of the term in question. If a balance is owed after all financial aid has been applied, the student is responsible for paying that balance.

Walsh University Satisfactory Academic Progress Policy for Financial Aid

The Financial Aid Office at Walsh University is required under Federal regulations to monitor the academic progress of all financial aid recipients. Failure to maintain Satisfactory Academic Progress (SAP) can affect a student's eligibility for federal financial aid. Both qualitative and quantitative standards are applied when determining SAP. Walsh University reviews SAP at the end of each spring semester. Students who fail to meet SAP are sent written notification which includes Walsh University's SAP policy as well as appeal information.

ACCEPTABLE PASSING RATE

Each student must earn a passing grade in at least 67% of all courses attempted at Walsh University. "F" (Failed) and "W" (Withdrawn) grades

will be counted as hours attempted but not passed. "I" (Incomplete) coursework cannot be counted as a successful completion. An Incomplete grade that has been changed to a passing grade can be added to the number of hours completed. It is the student's responsibility to notify the Office of Financial Aid once an incomplete grade has been changed to a valid grade. Transfer hours accepted by Walsh University and repeated coursework are considered in this ratio.

ACCEPTABLE GRADE POINT AVERAGE (GPA)

The minimum GPA standards for financial aid eligibility must be equal to or higher than the standard set forth by Walsh University for academic standing purposes. Freshmen must have a cumulative GPA of at least 1.75. Sophomores/juniors/seniors must have a cumulative GPA of at least a 2.0 in order to maintain federal SAP. Determination of GPA requirements (1.75 vs. 2.0) for entering transfer students will be based on the number of transfer credits they carry with them from their prior institution(s), but the approved transfer coursework will have no effect upon the cumulative grade point average. Only one grade for a repeated course will be reflected in the calculation of the student's GPA. (For federal aid purposes, a student is allowed to repeat a course only once if a passing grade is achieved). The minimum cumulative GPA for graduate students is 3.0 and the calculation also follows the transfer and repeated coursework stipulations cited above.

TIME LIMITS

Students cannot exceed 187 attempted hours (150% of graduation requirements) and continue to receive financial aid toward their undergraduate degree. Transfer hours are included in the 187 attempted hours. (Please note: State Aid is only available for a maximum of five full-time years, regardless of whether or not the student has reached the 187 credit hour limit.) Time limits are applicable even during periods where students did not receive Title IV aid and include courses taken during the summer. Transfer hours and repeated coursework also count when calculating acceptable time frame limits. Graduate students are not held to the same 150% calculation based on their specific graduation requirements. The 150% maximum time frame allowance for completion of the program is intended to be long enough to allow for changes in major, loss of credit due to transfer, withdrawn coursework, minor, double majors, etc.; therefore, an extension of the maximum time frame granted for those reasons is unlikely. Students seeking a second degree are limited to the federal Direct Loan program and will be monitored for time limits as well.

APPEALS

Students who have lost their eligibility for federal financial aid due to not maintaining SAP will be notified in writing and have a right to appeal. All appeals must include substantive reasons for failure to comply with the SAP Policy, and all extenuating circumstances should be supported by documentation whenever possible. Documentation should not only indicate the mitigating circumstance(s) that caused a student to have academic difficulty, but also indicate that the circumstance which caused the situation has been rectified so that the student will be successful in future terms. Prior to submitting the appeal to the Student Service Center, the student must contact the Director of Academic Achievement for assistance in completing certain sections of the appeal form.

If an appeal is approved, students are granted a probationary period in which to rectify the reason why he/she did not meet SAP. If it is apparent that the student cannot complete this within one term, an extension may be given to the student after review of the academic "Action Plan" included in the original appeal. If the student does not adhere to the

criteria outlined in the Action Plan, the probationary period will not be extended.

REGAINING FINANCIAL AID ELIGIBILITY

Students can regain full eligibility for federal financial aid by successfully completing coursework while in Suspension status that will raise their cumulative GPA to meet or exceed the minimum required for their total attempted hours, and raise their overall Cumulative Completion Rate for all coursework attempted to the 67% undergraduate or graduate level. Although SAP is normally reviewed at the end of each aid year, exceptions can be made for students who regain eligibility prior to the established review date. Students who are ineligible to receive federal financial aid may use one or more of the following payment options while attempting to regain eligibility: student's own resources, Walsh University's Payment Plan, and/or Alternative/Private Educational Loans.

(PLEASE NOTE: Since Walsh University does not offer remedial courses, that category of coursework is not addressed in this SAP Policy.)

VA Payment Delay Policy

In accordance with Section 103 of the Veterans Benefits and Transition Act of 2018, students receiving VA education benefits through either Chapter 31 (Veteran Readiness and Employment) or Chapter 33 (Post 9/11 GI Bill) will be exempt from any late fees or penalties incurred due to late tuition payments on behalf of the U.S. Department of Veterans Affairs. This includes calculation of interest, denial of access to classes, the library, or any other institutional facility, or the requirement to obtain additional funds to cover the student's financial obligations to the institution due to the delayed disbursement of payment by the U.S. Department of Veterans Affairs.

Veterans Benefits and Transition Act (VBTA)

In accordance with the Veterans Benefits and Transition Act (VBTA) of 2018 Walsh University ensures that we will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries or other institutional facilities, or the requirement that a Chapter 31 (Voc. Rehab.) or Chapter 33 (Post 9/11) recipient borrow additional funds to cover the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment by the U.S. Department of Veterans Affairs.

This policy is limited to tuition funds paid by the U.S. Department of Veterans Affairs and enforced at Institutions of Higher Learning, Non-College Degree Programs, and Flight Schools.

Certain standards of progress are applicable to any student receiving a veteran's allowance:

- Students eligible for Veterans Administration (V.A.) educational allowance who do not raise their G.P.A. to that required at the end of the first probationary period (one semester) will be terminated for V.A. payment purposes.
- Students who withdraw from a course except during the official add-drop period receive no credit. This score is included when determining the cumulative G.P.A. for Veterans Administration payment purposes.

Students Using Tuition Assistance Checklist

Tuition Assistance (TA) is a Department of Defense program. The program is not administered or monitored by the VA. TA rules vary by branch of service and can even vary between different units within the same branch. The Education Service Officer (ESO) at your military

installation should be your starting point for questions regarding TA, as well as the obtaining the necessary application forms.

Note: Be sure to check with your ESO on the fiscal year cap, as funding and total credit allotments may change. Military students will likely have an out-of-pocket cost at some point within the academic year.

Note: Start early! We recommend starting this process as early as four to six weeks prior to the start of classes, but certainly no later than 15 days prior. Keep in mind TA rules and deadlines vary by branch of service, but TA must be approved prior to the start of classes.

Steps to Apply for Tuition Assistance

- a. Speak with your ESO or command to ensure you are eligible for Tuition Assistance (TA).
- b. Gain approval from your chain of command to attend classes. Note: To use TA at WU, you must be an admitted WU student enrolled in an approved program.
- c. Meet with your Financial Aid Department to determine if you are eligible to receive an additional tuition-and-fee specific funding.
- d. Meet with your WU Academic Advisor to complete an education plan.
- e. Once your education plan is completed, please email the education plan to registrar@walsh.edu in a PDF format so that it can upload your classes to the respective military portal.
- f. Follow the military service branch and component specific instructions how to request Tuition Assistance for your course(s). Take note of the TA request timeframes (specific to your branch) and WU academic calendar.
- g. Submit your approved TA request (which is signed by you and your military branch) to registrar@walsh.edu in a PDF format. The Center of Veteran Affairs will process your approved TA request and work with the Student Accounting office to posts the credit to your student account. Please note that it can take 3-5 business days for a form to be processed to your account from the date it is submitted. We cannot guarantee that late forms will be processed to your account by the fee payment deadline. Any late fees assessed due to late TA form submission cannot be waived.
