

# SUPPLEMENTARY MAJOR IN THEOLOGY (B.A.)

---

The Supplementary Major in Theology focuses on the fundamental questions about reality and human existence. The diversity and balance of preparation provided by this Supplementary Major in Theology complements and extends a student's primary major within a Liberal Arts and Sciences education. For example, a student who is majoring in Education, Nursing, Philosophy, etc., but who also would like to major in Theology, would find this Supplementary Major in Theology attractive.

*[Note: A supplementary major is not intended as a qualifying major for an undergraduate degree, but is offered in combination with a student's primary major. Successful completion of the Supplementary Major requirements will be noted on the student's academic transcript, though not on his or her diploma.]*
