

# VISUAL AND PERFORMING ARTS (B.A)

## Student Learning Outcomes

- Students will demonstrate the ability to think critically about the Visual and Performing Arts.
- Students will develop competency in the application of one of the four primary artistic disciplines (studio art, art history, music, theater).
- Students will communicate effectively about the arts through all forms of professional communication.
- Students will evaluate career paths in the arts through professional experiences.
- Students will illustrate underlying connections between the various artistic disciplines.
