Orientation Programs

The transition from home and high school to college can be an exciting time of challenge and change. Getting started on the right track toward finding, starting, and completing a degree program at Walsh University is an important first step. The Orientation programs are designed to provide both welcoming and informational opportunities for new students and their families. We strive to help incoming students make meaningful and purposeful connections to Walsh through programs that focus on the student's academics, personal, faith and social development.

Students attend an orientation session which provides an opportunity to connect with peers, Walsh faculty and staff. Interactive sessions provide important information about the programs and services offered to assist students throughout their journey at Walsh. New students meet their first year academic advisor, connect with the Cav Cor leader, and receive Fall semester course schedules and engage with future classmates.

The Fall semester officially kicks-off the weekend prior to the start of classes. Walsh University's Welcome Weekend is specifically designed to help our students learn about all the exciting opportunities and important responsibilities of being a member of the Cavalier Community.

Residence Life

Walsh University offers its residents the opportunity for a rich experience in group living as it strives to provide an atmosphere conducive to

learning. To be eligible for campus residence, students must be full-time and in good academic and conduct standing with the University. Summer housing is also available.

Policies and procedures are designed to give students freedom for growth and self-discipline; at the same time, the policies help to ensure the environment needed for study and respect for other members of the community.

All full-time, traditional-aged students are required to live in University housing. Students apply for housing by completing a housing application, contract and medical history form; and submitting a \$200 housing deposit. The \$200.00 housing deposit serves as a contractual guarantee and as a damage deposit. A full refund of the deposit is made to students who enter the residence halls, fulfill the academic year contract, and elect not to return to Walsh for the next academic year (provided no balance remains on their bill). A full refund of the deposit is also made to students who cancel their room reservation by contacting the Office of Residence Life, in writing, prior to July 1st (preceding the fall semester), or prior to December 1st (preceding the spring semester) for those leaving the institution. Please read the Housing Contract for all the details concerning the Housing Deposit Refund Policy.

Full-time students who are over 23, married or have dependent child(ren) living with them, have lived in a group living environment for eight semesters (excluding summer semesters), live at home with parents or legal guardians within a 50-mile range from Walsh, have been discharged from the armed forces, or have special needs, may request exemption from the on-campus living requirement. All exemptions must be approved in advance by the Housing Review Board. Further information about on-campus living is found in the student handbook (<https://www.walsh.edu/student-conduct.html>).

If you would like to make a Housing Deposit, please contact the Office of Admissions at 330-490-7172 or [Click Here](https://walsh.afford.com/paynow/?storeid=1122) (<https://walsh.afford.com/paynow/?storeid=1122>).

Student Conduct

The mission of the Walsh University Conduct System is to foster a sense of responsibility for personal and community standards through education and personal accountability. This is achieved by consistently reviewing and determining appropriate conduct responses in cases involving violations of federal, state, and local law, as well as University policies and student association regulations. Our conduct process is grounded in the concept of fairness and impartiality, thereby supporting the values of our community by addressing misconduct in a constructive and positive way. Walsh University expects all members of the campus community to uphold and abide by the moral and educational values of our Judeo-Christian tradition.

Any questions regarding the University's student conduct (<https://www.walsh.edu/student-conduct.html>) process can be forwarded to the Student Experience Office, David Campus Center, at 330-490-7301.

Counseling Services

Like everyone, students face difficult life transitions and circumstances, experience painful emotions, and need assistance in developing clear and

meaningful goals. Counseling is a collaborative process that involves the development of a unique, confidential helping relationship. Counselors act as facilitators to help students better understand themselves and the world around them. Open and honest discussions of feelings, behaviors, relationships, life experiences, and circumstances with a trained counselor in a non-judgmental, safe, confidential environment enables individuals to grow towards greater freedom in making healthy choices and taking appropriate actions for more satisfying relationships, self-concept, academic progress and life goals.

Counseling Services is staffed by licensed professional clinical counselors and counseling interns trained to help students cope with a wide variety of educational, adjustment, and mental health issues. Counseling Services is free to all enrolled students. This office offers a confidential place to discuss concerns when difficult situations arise, when problems seem overwhelming or options appear limited.

Counseling Services staff work with the student to help identify strengths, locate support resources, and to begin a process of change and growth. Counseling Services staff will respect your values, choices, and lifestyle and will see you as an individual with your own unique strengths and limitations.

Depending on the nature of the concern, counseling may be one session, short term (2-5 sessions) or long term (all semester). If necessary, appropriate referrals to outside health care professions are made.

Counseling Services is open during Fall and Spring Semesters and follows the Walsh Academic Calendar. All counseling is discontinued at the end of each semester and students can return in the future if they choose.
